

Sandy Lane Nursery and Forest School—Autumn 1 Newsletter

Welcome to the new school year, and a special welcome to our new families who are beginning their journey with Sandy Lane Nursery and Forest School. This term we also welcome some new staff members. Beth Taylor is joining us in Garden Room and Juila will be moving with some of our older two year olds to support their transition into Garden Room. Sarah Fairhurst is a new TA in Sunshine, Helen Ashurst joins us in Rainbow Room and in the office we have Louise Herrity. We welcome these new staff, children and parent/carers to our Sandy Lane family and look forward to the exciting half term ahead.

At Sandy Lane Nursery and Forest School we are proud of the great relationships we build with parents and carers. This year we are working towards a special award to recognise this, the Leading Parent Partnership Award. You are part of our school family and everyone has an important part to play. To achieve this award we need your help over the coming year. Can you spare an hour each 1/2 term to be part of our Friends of Sandy Lane parent and carers group? We will meet in the staffroom for a drink and a chat, and I will try to remember to bring the biscuits. It will be a small and friendly group and I hope you will join us to talk about how we can work together to make our school the best it can be. Details of our plans for school improvement can be found on the last page of this newsletter. As parents/carers your opinion on how the school shares information with you, things we do well and things we could do better is vitally important.

Our first event will be a coffee morning/afternoon to welcome any new group members of those of you who are interested to find out a little more. Dates will be shared on Tapestry and also displayed around school and there will be an am and pm session to fit with your child's nursery session. If you would like any more information about the group please just speak with me on the door at drop off or collection

Marcia Head teacher

Nursery Activities

Garden and Sunshine Room - This term's 'big question' is 'What do I know about me?'

And the direction for learning for Rainbow Room this half term is 'Wonderful me?'

Celebrations—This half term we will be learning about the Jewish festival of Sukkot, a celebration of the natural environment. We are also hoping to have a special visitor to help us celebrate National Service Dog Month later this half term.

Once the children have settled into our nursery routines we will also be starting our weekly Forest School sessions

Look out for more information and dates for these events on Tapestry

Healthy Eating

As a school we promote healthy eating and children are provided with a range of fruit and vegetables at snack time. Look out for our monthly 'healthy recipes available on Tapestry with paper copies in the entrance. If your child attends for 30 hours and so brings in a lunchbox please could you ensure it contains a range of healthy food. Our website gives some suggestions you may like to try. Can we also remind parents that we are a 'nut aware' school and so please do not include any nut products in your child's lunchbox. If you would like any help with healthy lunchbox ideas please speak to a member of staff in Garden Room who will be happy to help. **PLEASE REMEMBER TO LABEL YOUR CHILDS LUNCH BOX AND WATER**

Attendance—good attendance is the key to good progress

If your child is unwell and needs to be absent from nursery please can I remind you to ring the office on 01925 623640 or text 07415 869045. Thank you for your cooperation.

Uniform—Children's play can be a messy business. Please could you ensure your child has a change of clothes in nursery and that they come to school dressed for the changing weather.

You may wish to consider purchasing a school t-shirt and/or sweatshirt. These can be ordered using the form available on the website under the 'Parent' and 'New Starters' tabs or pick up a form in the entrance area. Post your completed form in the box by **Monday** and your order will be ready for collection on **Wednesday** each week. **We take card payments at the office and would much prefer you to use this method if at all possible.**

Primary school.

I know—your child has only just started nursery and we're already talking about primary school! If your child is due to start primary school in September 2023 you will have now receive notification to apply for a school place. The application is completed on-line. It is important that you meet the school criteria for the schools you are applying for and you must apply for 3 schools. If you only apply for one and you don't meet the criteria of that school then the local authority will allocate a school with space nearest to your home address. Contact Janet or Louise in the school office (623640) if you need any further information or support

Snack Payments

The charge for snack can be found on the school website under the 'Parents' then 'New Starters' tabs. Charges don't cover the schools costs but are a contribution and also go towards little extras like birthday and Christmas gifts for all the children. Some families choose to pay for the **full school year**, most pay **termly** but you also have the option to pay **half termly**. **Charges for the term are £16 for children attending 15 hours and £32 for those who attend for 30 hours and are based on all families paying the amount due. We take card payments at the office and would much prefer parents/carers to use this option if at all possible.** We understand, however, that a small number of you may prefer to pay by cash. You will receive a text message as a reminder when fees are due.

Can you help?

All schools are busy places and Sandy Lane is no exception. We are always keen to welcome volunteers. If you have a special interest/talent or are just happy to help where needed and can spare a couple of hours as a one off or on a regular basis. Please speak to your child's room leader. If you are able to help

Have you set up your Tapestry Account?

Tapestry is one of the main ways we share information with families **so it is important that you log on regularly**. Staff will also be busy over the next few weeks posting pictures which show just how well the children are settling in. You can post pictures and comments to us too using Tapestry **Home learning**

Staff also post a range of weekly home learning activities on Tapestry. As partners in your child's learning and development it is important that you support your child to complete these activities, many of which will enable them to gain extra practice and link experiences they have had in nursery. . If you have any questions about home learning or are having difficulty accessing Tapestry please speak to your child's key worker who will be happy to help.

Take a look at www.sandylanenurseryschool.co.uk The **Parents** tab will give you advice on how to help your child settle in to nursery as well as ideas on how you can support their learning and development at home.

Happy Birthday to you!!

Birthdays this half term include: Soul, Michal, Raina, Mollie, Hunter, Amelia, Archie, Olly, James, Lucas, Scarlett, Arfa

And staff: Nikki, Karen, Anna, Saadet, Deryck, Sarah

Outdoors.

We have an amazing outdoor area which children love to spend time in, whatever the weather. This means that you need to make sure your child is dressed appropriately for the changeable weather. Layers are good to keep children warm or, by removing a layer, cooler and each child will need a coat. For children who enjoy water play and mud we will provide waterproofs and, if they don't have their own in nursery, we have wellies which can be borrowed.

School holiday

We finish on Friday 21st October and return Monday 31st October

Jeans for Genes day, Friday 23rd September

Wear jeans to nursery and donate £1 to this great cause!"

Additional sessions and wrap around care

Due to the reduced number of children at the start of the year we are able to offer parents of **children in Garden Room** the opportunity to purchase additional am or pm sessions as well as places for breakfast and after school club. If you are interested in purchasing the odd additional session, to enable your child to stay in garden room all day, please speak to a member of staff in the office (623640). **Are you entitled to 30 hours?**

If you think you may be eligible for 30 hours free childcare and have not yet applied please let Janet in the office know (623630). Please note that 30 hour places are always limited.

Our School Improvement Plan 2022- 23

At Sandy Lane Nursery and Forest School, we aim to work in partnership with all members of our school family to continue our journey of maintaining excellence. Our School Improvement Plan (SIP) sets out priorities that we want to achieve over the academic year. We would like to share our priorities with you, the positive impact these action will have for our children and how we can work together to help us achieve our goals.

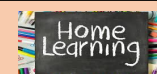

Leadership and Management Led by Marcia

KEY PRIORITY – To further develop parent/carer partnership including the successful completion of Leading Parent Partnership Award

IMPACT FOR CHILDREN – School will work in partnership with families to reflect on how parent/carer partnership can be further developed throughout this process. As a result of enhanced engagement parents/carers understand the aims of the school and how they can impact positively on their child's learning and development. We will work together to effectively support and improve pupil progress

Quality of Education Led by Jamie and Nikki

KEY PRIORITY- Embed the revised EYFS across school including developing our early maths and literacy offer with a focus on number patterns and word reading and writing. This will include securing improved parental engagement in home learning activities

IMPACT FOR CHILDREN- Children receive a broad and balanced curriculum including high quality early maths and literacy experiences . Families will engage in a range of home learning experiences which will positively impact on pupil progress

Behaviour and Attitudes Led by Kirsten

KEY PRIORITY – Further develop staff understanding and confidence of self-regulation and executive functioning alongside a whole school programme of activities to support children's development

IMPACT FOR CHILDREN – Children will be demonstrating improved executive functioning skills and the ability to self-regulate in a number of ways.

Personal Development Led by Kirsten and Marcia

KEY PRIORITY –To embed our offer of support for children and families in relation to mental health and well-being through the school's Early Help offer and Mental Health First Aid (MHFA)

IMPACT FOR CHILDREN – Children and families will receive appropriate support to promote their well-being.

How can parents/carers support our priorities? - We believe that working in partnership with parents/carers, as part of our Sandy Lane family, is vital to achieving our priorities and securing the improvement of the school. You can help us achieve our school priorities for this year by attending the parent/carer and child events, including workshops. These events will be an opportunity to share ideas of how you can support your child's learning at home, which will in turn have a positive impact on their overall progress.

Parents/carers can also help by ensuring your child's attendance is as good as it can be, enabling them to explore and engage in learning and develop their skills and knowledge by having time to practice and repeat activities. Helping your child at home with the learning staff post on Tapestry, working on their 'next steps' from VIP posts or Personal Plan targets. Using Tapestry to share things you have done at home with your child will also give staff valuable information about your child's interests and talents, enabling them to create activities based around your child's current fascinations to make new learning 'stick'.

You can also help us to think of other ways we can work with parents/carers and support the school with these priorities by joining our **Friends of Sandy Lane** parent and carer group.
