## Parents Termly Payment

We ask parents/carers to make a termly payment as a contribution to the costs incurred by school for children's snack and 'little extra's'. Your money goes towards the cost of a birthday and Christmas present for your child, special food for our parties and celebrations and their daily healthy snack.

This payment can be made annually or termly and is **due by the end of the first week of each new term**. We ask families to pay promptly – staff time spent chasing payments is time taken from activities to support children's learning.

A text message reminder will be sent each time payment is due, depending on how you choose to pay snack money. We encourage at least termly payments but understand there may be a small number of families who prefer to pay ½ termly. The amounts for snack money are as follows:

Annually:	Termly:	Half-termly:
30 hrs: £96	30 hours: £32	30 hours: £16
15 hrs: £48	15 hours: £16	15 hours: £8

**These payments should be made via our School Spider app available for download from App Store and Google Play Store.**
